- Now, click the Imperva icon in the top left to return to the home page of Imperva Partner University. From the home page when you click the button for "**Browse eLearning Subscription**", you'll see all the courses in the subscription.

The screenshot displays the Imperva University eLearning Library interface. At the top, the title "Imperva University eLearning Library" is prominently displayed. Below the title, a sub-header reads: "With your subscription, get your training whenever you want it. Browse our selection, or choose a series to filter by product." To the right of the text is an image of a person sitting on a sofa in a modern living room setting.

Below the header, there are four filter buttons: "RASP Series", "On-Premise Series", "Cloud Series", and "API Series".

The main content area features a grid of course cards. Each card includes a thumbnail image, a title, and a "FREE" label. The visible course titles are:

- IUS - Cloud WAF - Introduction to Network Architecture
- IUS - RASP Series - Installation
- IUS - RASP Series - Tomcat Installation agent-based
- IUS - Overview of the On-Prem Admin Workspace
- On-Premises WAF Basic

The "On-Premises WAF Basic" card also shows a duration of "14 hr 53 min".
